Ubiquiti Training Courses

MikroTik Training Courses

LinITX is a **Ubiquiti Authorised Training Partner**. We are pleased to be able to offer accredited Ubiquiti training courses in our Suffolk offices in **Needham Market** and a Training Centre near **Sheffield**.

LinITX has **highly trained staff** who will go above and beyond when it comes to accommodating your training requirements.

Our **pass rate is over 98%** of the people who attend. We have also been told by many customers that our **training is superior** to previous training they'd received from our competitors.

LinITX offers **comprehensive MikroTik training** courses designed to enhance your networking skills, whether you're a beginner or experienced professional. If there is a specific course you're interested in, please give us a call.

MikroTik courses cover various aspects of their product range, including router configuration, network management, troubleshooting and more.

With our **expert trainers** and a focus on practical, **hands-on learning**, LinITX's training sessions provide the knowledge and tools needed to excel in using MikroTik products.
